

Fenimore Landfill Update
Wednesday, September 18, 2013

Landfill Site Work

DEP and engineering contractor Handex have been testing the gas collection and treatment system. During all hours of testing operations, stringent protocols have been followed and highly trained personnel have been on site. Construction of the utility corridor is continuing.

Air Monitoring

The five H2S air monitoring stations will continue to operate 24/7 and the data is telemetered to DEP for review.

A Look Ahead

Work continues to bring gas, water, and electricity to the landfill for equipment operations.

Fenimore Call Center

DEP has established a call center to assist with resident questions. If you wish to file an odor complaint, call 1-877-WARN-DEP, 24/7. If you wish to ask questions without filing an odor complaint, call DEP at (609) 341-2875 during regular business hours (9:00 a.m. – 5:00 p.m., Monday through Friday). On weekends and evenings and holidays, callers can leave a message and their call will be returned. Questions may also be emailed to RoxburyTwpFenimoreQuestions@dep.state.nj.us.
