

Fenimore Landfill Update

Saturday, December 28 – Monday, December 30, 2013

Landfill Site Work

The custom scrubber commenced 24/7 operations on Thursday, December 12. All the gas from the landfill is being directed to the custom scrubber. DEP will continue to monitor the emissions from the system to ensure it is operating safely.

The interim scrubber operated for a short time over the weekend to ensure the repairs were successful. The propane supply to the oxidizer was then exhausted and the system has now been taken completely offline. The blower and the oxidizer from the interim scrubber are being moved to the custom scrubber system. The interim scrubber will be stored on site should it be needed in the future.

Construction continues on the water service connections to replace the temporary water supply.

Holiday Schedule – There will be no activity at the site from 6 p.m. December 31, 2013 through 6 p.m., January 1, 2014. Operations will resume then.

Air Monitoring

The nine H₂S and three SO₂ air monitoring stations continue to operate 24/7. To date, all SO₂ levels have been well within air quality standards. Live data for both the H₂S and the SO₂ monitors is available at <http://54.235.249.118/guests/greenlight.get.live.data.2a.php>.

A Look Ahead

Limited truck traffic is needed to supply materials to the site. In addition, wastewater from the scrubbers will be trucked off the site periodically. For all necessary truck traffic, DEP will continue to work with local officials to ensure that safe traffic controls are in place utilizing the truck route.

Fenimore Call Center

DEP has established a call center to assist with resident questions. If you wish to file an odor complaint, call 1-877-WARN-DEP, 24/7. If you wish to ask questions without filing an odor complaint, call DEP at (609) 341-2875 during regular business hours (9:00 a.m. – 5:00 p.m., Monday through Friday). On weekends and evenings and holidays, callers can leave a message and their calls will be returned. Questions may also be emailed to RoxburyTwpFenimoreQuestions@dep.state.nj.us.
