4-18.5 Receptacle Size, Number and Identification

- a. No more than three receptacles shall be located within any commercial complex.
- b. Each receptacle shall not exceed five feet in depth, eight feet in width and six feet in height.
- c. Each receptacle shall have an identifying logo, the name, address and phone number of the owner or owner's agent as well as wording describing the use or purpose of the receptacle and the information required to be displayed on the bin in N.J.S.A. 40:48-2.61.

4-18.6 Location

- a. The receptacle shall be located in such a manner that it will not be necessary to park in a driveway or on an access drive for parking stalls while depositing used clothing.
- b. The receptacles shall not be placed in any parking spaces, roadways, sidewalks and/or walkways or in any buffer areas and shall be no closer than ten feet to any property line.
- c. The areas adjacent to the containers shall be kept clear of all boxes and debris.
- d. The receptacles shall be permitted in side and rear yards but not within front yard setbacks.
- e. The receptacles shall not be located in a parking stall designated to meet the parking requirements of the on site uses.
- f. The receptacles shall not be permitted where placement could constitute a safety hazard. Such hazards shall include, but not be limited to, placement within 100 yards of any place which stores large amounts of, or sells, fuel or any other flammable liquids or gases.

4-18.7 Maintenance and 4-18.8 Display of Information on Bin

The receptacles shall be maintained in a clean, sanitary condition, painted and in good working order. Each receptacle shall be emptied as frequently as needed to prevent overflow and comply with the standards of this section but in no event less than once per week. On bin exterior clearly and conspicuously displayed permit number, expiration date and information required as per N.J.S.A. 40:48-2.61.

4-18.10 Penalties

In the event the entity who placed the bin does not rectify the violation or request a hearing within 45 days of posted warning, the appropriate municipal agency may seize the bin, remove it, or have it removed, at the expense of the entity who placed the bin, and sell at public auction or otherwise dispose of the bin and any clothing or other donations collected via the bin. In addition to any other penalties or remedies authorized by law, any person or entity that violates any provision of this section shall be subject to a penalty of up to twenty thousand dollars (\$20,000.00) for each violation pursuant to N.J.S.A. 40:48-2.60 et seq. The township may bring this action in the Municipal Court or the Superior Court as a summary proceeding under the Penalty Enforcement Law of 1999. An entity violating this section shall be deemed ineligible to place, use, or employ a receptacle for discarded clothing for solicitation purposes pursuant to N.J.S.A. 40:48-2.61 et seq. An entity disqualified from placing, using, or employing a receptacle for discarded clothing by violating the provisions of N.J.S.A. 40:48-2.60 et seq.
