

# Fall Lacrosse Clinics

Roxbury Gaels Lacrosse will be hosting Fall Skills and Drills Clinics. These clinics are open to all - players, siblings, and friends, so feel free to invite others to come along. We plan on keeping it as a fun learning environment for everyone. For those who are new, it is a great way to learn the sport and for us to teach them the fundamentals, for current players it's another way to work on/enhance skills.
